SOCCER SHOTS SUMMER 2023

Soccer Shots is an introductory Soccer program based here in North Florida. They introduce the game of soccer to children through an enthusiastic and engaging curriculum. Their themed sessions have players pretending to be astronauts flying to Mars or pirates sailing the Seven Seas; while learning how to dribble, shoot, and score! They also emphasize character development using their weekly character words, such as respect, confidence, and determination. These character words are reinforced during sessions to strengthen youth beyond the game!
